

**TENNESSEE GENERAL ASSEMBLY
FISCAL REVIEW COMMITTEE**

FISCAL NOTE

SB 461 - HB 621

March 9, 2009

SUMMARY OF BILL: Requires person convicted of indecent exposure to register with the sexual offender registry if the victim is less than 13 years old regardless of the number of convictions. Current law requires registration for third or subsequent convictions without regard to the age of the victim.

ESTIMATED FISCAL IMPACT:

Increase State Expenditures – Not Significant

Assumptions:

- According to the Board of Probation and Parole (BOPP), this bill will result in a minimal increase in caseloads and in the additional work load for BOPP officers.
- Currently, individuals convicted of indecent exposure for a third or subsequent time must register regardless of the age of the victim. This bill will result in a minimal increase in the number of offenders who must register and as a result will not have a significant fiscal impact on the Tennessee Bureau of Investigation.
